June 24th at 6:45pm

1. Welcome, it's nice to see you all here today.
2. **Approval of May's meeting Minutes:** Diane motions to approve minutes, and Emily seconds
3. Financial Report
 - 3.1. \$18,111 to carry over to next year
 - 3.2. Principal Potvin explains that there is no problem to carry funds over to next year, but Parent Council needs to publish information about this to the parent community. Parent Council executive will publicize to all parents explaining why there was a surplus in 2019-2020 year.
 - 3.3. Diane asks if it is possible to provide tax receipts to parents who donate pizza money to school. This is not possible because Parent Council is not a registered charity.
4. Council Update
 - 4.1. Update on yearbooks: Parent Council Executive approved \$196.00 for difference in Yearbooks due to price increase (\$25.00). 28 families had already bought at lower price (\$18.00) before price changed. $7 \times 28 = \$196.00$
